THE FALLING WALLS CONFERENCE, 9 NOVEMBER

- Each year on 9 November, 20 internationally renowned researchers from all disciplines showcase the breakthroughs they are working on in 15-minute talks. They answer the question: Which walls will fall next and how will this affect our lives? Among the speakers are Nobel laureates, artists, heads of states and governments.
- The conference is a place of high-level exchange between science, business and other sectors of society with visitors from over 80 nations.

Scholarship & Winners

- The 3 most intriguing presenters will speak at the Fallings Walls Conference on the next day – side by side with some of the most prominent researchers worldwide.
- An A.T. Kearney Scholarship will be granted to all participants, covering accommodation from 8 to 9 November and the ticket for the Falling Walls Conference on 9 November. Please note that travel expenses cannot be reimbursed.
