Please join us at the Broad Institute for the **Helga Salvesen Memorial Symposium on Endometrial Cancer**. This event is being organized to honor our colleague the late Dr. Salvesen and her legacy of passionate commitment to translational research and patient care. With a wide-array of scientific speakers from around the world, this all-day symposium will focus on the latest research in endometrial cancer. Speakers will include Lars Akslen, Frederic Amant, Daphne Bell, Paul Goodfellow, Doug Levine, Ursula Matulonis, George Mutter, and Pal Njolstad.

Symposium registration is free.
