

OSLO CANCER
CLUSTER

SAVE THE DATE for R&D Network Meeting on Urologic Cancer

March 5th 2014

Time: Wednesday March 5th, 15:00-19:00

Venue: Auditorium, The Research Building, OUS, Radiumhospitalet

The program will include status for diagnosing and treating urological cancer and recent news in prostate cancer research.

Participants will also learn more about the technology and treatments developed by Norwegian biotechs.

Final program will follow shortly.
