

UNIVERSITY OF BERGEN

Preannouncement

Invitation to seminar on

Renewable energy and energy transition

Hotel Ørnen, Bergen
November 20, 2015, 9:00-15:00
(Lunch will be served)

*To facilitate new projects to be funded by the **Akademia agreement** in the strategic area*

“Energy transition”

The University of Bergen invites to a full day seminar aimed to provide a platform for interaction between different academic disciplines. The motivation is to present and discuss new ideas in this area and to have discussions between researchers, across the university.

Main topics:

- Energy use and energy markets in transition
- Future energy resources and technologies
- Energy and society

A new call for projects within the Akademia agreement will be announced this autumn. Presentations and discussions at the seminar will be of relevance for the Steering committee when evaluating applications for funding.

A full program will be announced in early October. **Please mark the seminar in your calendar now!**
