

FORSKERSKOLEN

I KLINISK MEDISIN

 **HELSE BERGEN**
Haukeland universitetssjukehus

What is The Research School in Clinical Medicine (Forskerskolen i Klinisk Medisin)? The Research School in Clinical Medicine is an arena for PhD students from Department of Clinical Medicine (K1), Department of Clinical Science (K2) and Helse-Bergen to socialise and present own research to fellow students. The research school also organises courses that may be included as part of the mandatory training component of the PhD-program, and a seminar series where current research from the faculty is presented by excellent speakers.

Board 2018/2019:

Stian Knappskog, leader (K2) • Camilla Tøndel (HUS) • Thomas Halvorsen (K2) • Torbjørn Kråkenes (K1) • Andreas Venizelos (K2) • Vojtech Novotny (K1) • Yasaman Pakdaman (K2) • Øivind Torkildsen (K1) • Mildrid Høgås (K1) • Irene Hjelmås (K2)
