

On Monday 26. August from 08.15 am to 12.00, the faculty's [Learning unit](#) will stream live from AMEE 2019 in Vienna. AMEE (An International association for medical education) is the worlds largest congress focusing on medical and health professions education. This morning's theme is "Medical Work and Learning in Transition". Full programme can be found on [AMEEs website](#).

NB: you need to [sign up](#), as we will order breakfast for all attendees! The session takes place in the board room ("Fakultetsstyrerommet"), 4th floor, Armauer Hansens building.

This session is part of the Learning unit's series of mini-seminars called [Educational refill](#). See link for the full program (in Norwegian only).
