Beyond Academia: Careers in Biotech, Pharma & Clinical Research

Industry perspectives and alternative career paths for students

- Meet speakers from start-ups and smaller biotech companies, CROs, the pharmaceutical industry and CONNECT.
- Hear personal career stories, practical advice and reflections on moving between academia, innovation and industry.
- For master's students, PhD candidates, postdocs and early-career researchers curious about options beyond the academic track.

Invited perspectives from:

Start-ups

Biotech

CROs

Pharma

CONNECT

Join us for an afternoon of insight, inspiration and networking. Pizza and soft drinks will be served after the seminar.
Organised by CMYC – K.G. Jebsen Centre for Myeloid Blood Cancer
